

RESOURCES TO HELP CHILDREN GROW IN FAITH

God is Always with You

Max Lucado's comforting words reinforce the thought that no matter what happens – the good and bad, the firsts and lasts – children will never be alone... just in case they ever wonder.

To a child, a day can last forever, and hurt feelings sink in deep. Whether they're having trouble making friends, struggling to learn something new, or just having a sad day, children need daily reminders of how much they're cherished. *Just in Case You Ever Feel Alone* soothes away loneliness by promising children that God is always with them, and their parents or caregivers will always make time for them – they will squeeze away the sad and welcome back the glad every single day.
